

How to Avoid Parking Citations

1. Purchase and properly display a current University of Arkansas parking permit.
2. Do not park in zones marked with yellow paint or where prohibited by sign. Vehicles blocking traffic lanes, bus stops, loading zones, fire lanes or on lawns will be cited and towed at the owner's expense.
3. Do not park in handicap accessible (ADA) spaces designated as parking for disabled persons unless you have the proper University of Arkansas parking permit. Accessible parking spaces are twenty-four hour tow zones with a \$150 violation administrative charge. Do not block or park in access aisles associated with accessible spaces.
4. All spaces in paved parking lots have painted white lines on both sides of the parking space. If there is not a painted line on both sides, it is not a parking space. Spaces in gravel parking lots are designated by white or gray wheel stops. Do not park at yellow wheel stops.
5. If you allow others to drive your motor vehicle, make sure they know where to park. Remember that you will be billed for parking citations issued to your vehicle.
6. If your vehicle breaks down on campus, promptly contact the Transit and Parking Department at 575-PARK (7275) or the University Police at 575-2222.
7. Remove all University of Arkansas parking permits from your vehicle prior to the sale or transfer of the vehicle. Your permit is designed to be transferred to your replacement vehicle.
8. If you received a parking citation and wish to appeal, remember that you have only five class days to appeal the citation. If a meter malfunctions, a malfunction report must be filed the same day at the Transit and Parking Department. Printable Appeals and Meter Malfunction form are available under the Parking Control Section of the Transit and Parking website. Appeals and Meter Malfunction Forms are also available at the Transit and Parking Department in the Administrative Services Building, 155 S. Razorback Road, and the Harmon Avenue Garage. Parking citations may also be appealed on-line by going to <https://myparkingaccount.uark.edu>. Parking at a malfunctioning meter is prohibited.
9. Temporary visitor permits and parking information are available at the Transit and Parking Department for campus visitors.
10. If you are in doubt about a parking zone or regulation, please contact the Transit and Parking Department at 575-PARK (7275), to obtain the correct information.
11. Parking regulations with a map of campus parking lots and Razorback Transit route maps and schedules are available at the Arkansas Union Information Desk, Hunt Hall lobby, the Parking Office at the Harmon Avenue Garage and at the Administrative Services Building located at 155 S. Razorback Road, and on the Transit and Parking web site at <http://parking.uark.edu>. Bus route maps are also available on all Razorback Transit buses.
12. Razorback Transit provides fare free bus service on fixed routes, both on campus and to major off campus living and shopping areas from 7 a.m. to 10:30 p.m., Monday through Saturday during the Fall and Spring semesters. Reduced bus service is provided from 7 a.m. to 6:00 p.m., Monday through Friday, when classes are not in session. There is no bus service on official University holidays. University of Arkansas students and employees are encouraged to use this reliable, convenient and fare free transportation service.
