Razorbikes are available to faculty, staff and alumni, also with valid ID.

All Razorbikes will be locked when not in use using the provided combination lock.

All Razorbikes are either donations or recycled equipment belonging to the program and as such should be treated with respect by all users.

Any Razorbike that is found not to be in proper operating condition **SHOULD NOT BE RIDDEN** but should immediately be reported to 575-7433. Please report both the location and bike number.

Razorbike registered users will not reveal unlock codes to non-registered users.

All Razorbikes should be returned to the university’s campus each night and locked at an approved bicycle rack.

Participants will assume responsibility for the condition of the bicycle and other accessories that might be included, such as a lock, until the same is returned for others’ use.

Razorbikes may be taken off campus but must be locked up when not in use and returned to campus by the user who left campus the same day.

Razorbikes follow the same rules of the road as any cyclist. Please follow all applicable state and local regulations.

FOR YOUR SAFETY

Wear a helmet every time you ride.

Obey Traffic laws. In the State of Arkansas a bicyclist must adhere to all traffic laws that apply to motor vehicles.

Always ride on the right side of the road. It is never safe to ride against traffic and it is against the law in Arkansas to do so. Whenever possible use designated ‘bicycle routes’.

Be predictable. Don’t do anything that would surprise the driver of a motor vehicle.

Be visible. Don’t ride at night without an approved light.

Do not ride this bicycle on extended descents that require sustained and heavy braking.
