INTRODUCTION

These traffic and parking regulations have been established to encourage proper use of the university streets and parking facilities. The Arkansas Motor Vehicle and Traffic Laws, State Highway Commission Regulations, and the Code of Ordinances City of Fayetteville, Arkansas apply to all persons utilizing the lands and streets owned or controlled by the University of Arkansas.

Transit and Parking strives to provide exceptional customer service and accurate information, contributing to a safe campus environment for the University community and its visitors.

If you have any questions or suggestions concerning parking or transit services on the University of Arkansas campus, please contact the Transit and Parking Department, 131 Administrative Services Building, 155 S. Razorback Road, email parking@uark.edu or transit@uark.edu, or call 575-PARK or 575-RIDE. Additional Transit and Parking information is available on our web site at: <http://parking.uark.edu>.

CHAPTER 1 – GENERAL PROVISIONS

Section 1.1 - Authorities and Applicability of Regulations

In accordance with A.C.A. 25-17-307, the Board of Trustees of the University of Arkansas has established the following regulations to facilitate the operation and parking of motor vehicles on the University of Arkansas campus. These regulations apply to all persons utilizing the lands and streets owned or controlled by the University of Arkansas. UA Traffic and Parking Regulations are revised periodically. The most current regulations are available on the Transit and Parking web site at <http://parking.uark.edu/>.

Section 1.2 – Transit, Parking, and Traffic Committee

Suggestions to improve the campus parking system are welcomed by the [Transit, Parking and Traffic Committee](#) whose membership represents students, faculty and staff. Any suggestions should be made to the committee chairperson in care of the Transit and Parking Department.

Section 1.3 – Enforcement of Regulations

- (1.3.1) These regulations are in effect at all times. Any vehicle operated or parked on UA owned or controlled property in violation of Arkansas motor vehicle statutes or these UA regulations is subject to being cited, booted and/or towed. **Parking Regulations are enforced at all times, even when classes are not in session.**
- (1.3.2) Enforcement of these regulations is the responsibility of the Transit and Parking Department and the UA Police Department. The Transit and Parking Department will assess administrative charges and penalties and may deny or revoke an individual's parking permit and privileges for excessive violations of University parking regulations.

Section 1.4 – Motor Vehicle Immobilizing, Towing, Impounding, and Release

- (1.4.1) The UA reserves the right to tow from its property any parked vehicle without a current parking permit; parked in a Transit Bus Stop, restricted zone, non-designated area; and with three or more and \$50 or more in unpaid parking citations. Any vehicle will be towed if parked where it causes a traffic or pedestrian hazard, or in a manner to impede the access of emergency vehicles. Violations which will also result in towing and possible impoundment include, but are not limited to, parking in Reserved lots or spaces; fire or traffic lanes; zones marked with yellow paint; driveways; on a sidewalk; unauthorized zones or lots; grass areas; within 15 feet of a fire hydrant; within 20 feet of a crosswalk; within 30 feet of a stop sign; or double parked in a street, drive or lot. The University of Arkansas is under no obligation to attempt to locate, call or email the owner/operator of a vehicle prior to it being towed. Any such warning effort should be considered a courtesy.

- (1.4.2) The UA reserves the right to tow from its property and impound any vehicle in violation of these regulations until all towing and impounding fees and UA parking violation charges have been paid.
- (1.4.3) Any vehicle displaying a lost, stolen or altered permit will be towed and impounded. The driver/owner will be required to pay all tow and storage fees, all outstanding citations including a \$100 administrative charge, and relinquish his/her UA parking permit and parking privileges for one year.
- (1.4.4) A \$100 administrative charge will be assessed to any suspended individual or vehicle parked on campus in addition to the vehicle being towed.
- (1.4.5) In lieu of towing, vehicles may be immobilized (booted) for the same reasons for which they may be towed. Any vehicle with three or more and \$50 or more in unpaid parking violations is subject to being booted. All outstanding citations and a \$30 boot fee must be paid before the boot will be removed. Immobilized vehicles not claimed by the owner by the close of business will be towed. A \$100 administrative fee will be assessed for unauthorized removal or attempted removal of a boot.
- (1.4.6) The vehicle owner or operator will be required to provide identification and pay all costs for removing and storing of the towed vehicle and all violation and administrative charges. Vehicles stored in the UA tow lot will be charged \$10 per day for storage.
- (1.4.7) The booting or towing of a vehicle and the resulting fees may be appealed by following the procedures contained in section 1.7 of these regulations.

Section 1.5 – Traffic and Parking Violations and Fees (Citations/Tickets)

Please see Appendix.

Section 1.6 – Citation Payment

- (1.6.1) Parking citations may be paid in person at the Transit and Parking Department, by mail, or online at [My Parking Account](#).
- (1.6.2) UA parking violation charges not paid or appealed within five class days could result in the violator's enrollment being denied, transcript being withheld, employee payroll deductions for the amount owed, or the violator's vehicle being booted or towed and impounded.

Section 1.7– Appeals

Anyone having a valid reason to appeal a parking violation, placement of a boot or a vehicle tow may file an appeal form for the UA Parking and Traffic Appeals Court at the Transit and Parking Department, 155 S. Razorback Road within five class days of the date of the citation. All UA Parking citations must either be appealed within five class days or paid. Appeals will incur a \$10 administrative fee. All citations must be paid if the vehicle has been booted or towed. The citations as well as placement of a boot or tow and associated fees may then be appealed. If the written appeal is upheld the appeal fee will be refunded. If the written appeal is denied, a request for an oral appeal may be filed within ten days of written appeal denial. Traffic citations are to be appealed at the University Police Department.

CHAPTER 2 – PARKING PERMITS

Any motor vehicle parked on UA owned or controlled property must either properly display a current UA parking permit or park in a metered parking space paying the meter fee. Permits are valid only in authorized lots or zones designated by map or posted signs and only for the person to whom they are registered. Campus parking permits may be revoked and parking privileges suspended by action of the Office of Student Standards and Conduct. Revoked permits are not eligible for a refund. Bicycles parked on campus must display a UA bicycle permit.

Bicycles are to be parked in a manner that does not block pedestrian paths or building or emergency access and must be secured with a commercially available lock to prevent theft. Bicycles may be secured to handrails and non-painted light poles as long as they do not block pedestrian paths or create a safety hazard, only if there are no bicycle loops or racks within the immediate area.

Section 3.4 – Immobilization and Impound

- (3.4.1) Unsecured bicycles will be immobilized or impounded if considered a habitual violator. Bicycles parked in a manner that obstruct handicap access, block pedestrian paths, create a safety hazard, or are secured to trees and landscaping, sign posts, parking meter posts, or painted light poles will be immobilized or impounded. Section 3.5 – Unacceptable Parking and Storage Methods

Bicycles may not be parked, stored, or left standing in the lobby, hallway, or room of any academic or administrative building except within private offices with the approval from the department head or building executive. Policies and procedures governing the storage of bicycles inside any facility owned, operated or managed by University Housing, may be found in the current [Residence Hall Handbook](#).

A list of impounded bicycles shall be posted on the Transit and Parking webpage under [Parking Control](#) for a minimum of 60 days.

CHAPTER 4 – VEHICLE PARKING

Section 4.1 – Responsibility and Indicators of Designation

Designation of UA parking lots and specific parking spaces is the responsibility of the Transit, Parking and Traffic Committee and the Transit and Parking Department. Parking lot designations are indicated by permit color on the [current parking map](#), and on-site by colored signs. Sign and stall markings are considered to be correct and take precedence over conflicting parking map designations. Any area not specifically designated for parking is considered a No Parking zone, which may not be posted.

Section 4.2 – Parking Lot Designation Signs

(4.2.1) Parking lot designation signs are color-coded and labeled with the lot type. Lot designation signs are located at the parking lot entrances and within the lots when necessary. Signs designating spaces within a lot are either placed at each end of the section of spaces they designate and regulate all spaces between the signs or placed at the front of the spaces to designate an individual space.

(4.2.2) **Lot Designation Types** - Your permit type and parking lot signs designating where you may park on the UA campus are as follows:

Section 4.5 – Athletic and Special Event Parking

- (4.5.1) UA units or individuals sponsoring any special event requiring campus parking for visitors are responsible for requesting parking arrangements two weeks before the event. A late fee will be assessed if the request is made after the two week deadline. [UA Policy 320.1](#) covers the parking requirements for special events. [Additional Special events parking information](#) is available on the Transit and Parking website.

- (4.6.3) UA units or individuals receiving visitors are expected to promptly contact the Transit and Parking Department (575-PARK) to make parking arrangements. UA units may purchase daily visitor parking permits, garage access cards, or meter codes for garage parking from the Transit and Parking Department and issue them only to visitors. Please call 575-PARK for information.

Section 4.7 – Metered Parking

- (4.7.1) **Parking Meters** - Anyone paying the meter may park in these spaces. Parking at an inoperable meter is prohibited. Vehicles parked at expired meters can be cited once before noon and once after noon.
- (4.7.2) **Short-term Parking Meters** (gold meters) - These meters are in gold colored housings and require payment at all times. They provide 30 minute parking for brief stops, loading, and unloading at campus buildings. Violators parked at these meters can be cited every 30 minutes.
