Approval of Last Meeting's Minutes: Mikey King made a motion to approve the minutes from January 26, 2016 as written. The motion was seconded by Lisa Frye. Motion carried unanimously.

Report on Current Status of Parking:

- Three buses are on order and should arrive in October 2016.
- Three additional buses should be delivered in the fall of 2017.
- There will be a public meeting in ARKU at 5:30 pm, 5/5/16, to present new bus routes for the summer.
- Summer garage and lot maintenance to include painting will begin after commencement.
- Transit and Parking has been reviewing and planning for the Transportation Study recommendations implementation.
- Adam Waddell, Jay Huneycutt and Gary are on the City Transportation Study Steering Committee.
- There will be a meeting this summer to develop a policy for golf carts and similar vehicles on campus.
- Parking will be replacing lights in the Harmon Garage with LED fixtures. There is a return on investment of less than three years.
- Gary discussed the two mini roundabouts planned for construction after commencement. One will be located at Leroy Pond/Virginia and the other at Stadium/Clinton.
- Lot 56D will be expanded to South Stadium by early November.
- After football season, there is a possibility that Phase II and Phase III of the Razorback Road Project will be going on at the same time. Lot 44 will lose approximately 200 parking spaces.
- Gary will visit with vendors at the International Parking Institute's (IPI) Annual Conference later this month to see what is available to prevent scooter theft.

Old Business:

Gary presented the Rose Hill Neighborhood parking issues as seen at the Town and Gown meeting last month. At this time everything will remain as is.

Cindy Morley made a motion to discontinue the printing of the Parking and Traffic Regulations on the back of the printed map as long as there is a link printed on the map stating where the regulations are located. Lisa Frye seconded the motion. Motion carried unanimously. Colleen Briney recommended having a QR code on the map.

Adam Waddell, Associate Director of Transit, is chairing a committee for further research on a bike sharing program with the City of Fayetteville.

Gary presented a summary of the Transportation Study and a lengthy discussion followed. The department will be working on a list of the portions of the study that are feasible and a timeline for implementation.

New Business:

Cindy Morley made a motion to leave Lot 31N designated as a no overnight parking lot. Lisa Frye seconded the motion. Motion passed with two opposed.

Athletics is closing the parking lots at Baum Stadium on Fridays before home football games. Parking is working on locating a parking lot for those students that must relocate for home football games.

Felisha Perrodin made a motion to incorporate the additional eight parking spaces to be controlled at the Harmon apartment into Lot 16. Laura Shiver seconded the motion. Motion carried unanimously.

Cindy nominated Jeremy McAtee to remain as the Chairman of the committee for next school year. Since there were no other nominations, Jeremy was elected by acclamation.

Lisa Frye made a motion to adjourn the meeting. The motion was seconded by Laura Shiver. Motion carried unanimously. Meeting adjourned at 12:00 noon.
