Report on Current Status of Parking:

Gary briefed the committee on the following:

- Zipcar is up and running. There are two vehicles, a Ford Focus that rents for \$7.50 an hour and a Ford Escape which rents for \$8.50 an hour. Both are parked in the southeast corner of Lot 37, across Garland Avenue from the Garland Center. Students and employees can register on-line to become members and reserve the vehicles.
- The Cleveland Street Bus stops with shelters opened at the end of September.
- Parkmobile has been offered to departments for their use. This provides another option for departments to pay for parking for their visitors.
- We continue to work with Financial Affairs to be able to accept credit cards in the Luke meters.
- There were 4,191 empty parking spaces at 10:00 a.m. on 10/15/14. Gary will research and have a proposal for the next meeting regarding an app that would provide parking vacancy information to our customers.
