# PARKING CITATIONS

## **Ride Razorback Transit.**

Razorback Transit provides fare-free transportation both on and off campus.

To see available routes and track the buses at real time, you can download our PassioGo! app.

## **Read notices and signs.**

Transit and Parking uses calendar notifications and social media to notify everyone of when vehicles should be moved before a game or event.

Signs are located at the entrance of the parking lots and garages indicating which permit is required for each lot and time frame.

## **Notify us if your vehicle breaks down.**

If your vehicle breaks down in a parking area, contact us immediately.

Transit and Parking: (479) 575-PARK (7275)  
UAPD: (479) 575-2222

## **Do not park in prohibited areas.**

Prohibited areas will be indicated by signs or yellow paint.

Prohibited areas include Reserved Lots or parking spaces an individual does not have access to. Yellow paint indicates the area is a fire lane.

## **Don't forget to pay the meter.**

If you are parking at a meter, make sure you pay at a kiosk or with our Flowbird app. If needed, you can add time before the meter expires.

Please don't leave your vehicle or lot/garage before paying the meter. Parking at an expired or malfunctioning meter is prohibited.

## **When in doubt, check it out.**

If you're confused about where to park, check the lot signs, parking map, or regulations. You can always contact Transit and Parking at:

Phone: (479) 575-PARK (7275)
