**Report on Current Status of Transit and Parking:**

Leroy Pond Extension: extends Leroy Pond across Razorback Road. Waiting to determine funding availability. If the project is implemented, it should be completed before classes being in August.

Stadium Drive work – completed - will be resurfaced in late summer 2020.

Razorback Road project - HWY 112 widening - completes work that started last summer. It widens Razorback Road to two lanes north bound and one lane southbound. Razorback Road, Meadow Street to Maple Street, and Maple Street, Razorback Road to Stadium Drive will be closed May 13 – early July. Maple Street, from Stadium Drive to Garland Avenue, will be closed early July to August 9.

Rose Hill Parking plan - expands parking between lots 10, 78, and Lot 78A and constructs lot 78B. These lots will be designated as Faculty/Staff. 130 spaces in lot 38 will be redesignated as Resident Reserved.

Student Success Center: constructs new ±70K SF south of Memorial Hall on the site of the existing School of Social Work. Lot 2 will be closed during this project and lot 68 will likely be used as construction office and laydown space.

Delta Gamma sorority is to be completed by July 1. When lot 14 reopens it will contain 40 Resident Reserved and 40 Faculty/Staff spaces.

Stadium Drive Residence Hall: Constructs 700 bed dormitory at Stadium Drive and Leroy Pond. The 130 space parking lot should open in October.

Google Transit is now available. It allows bus passengers to plan their route from origin to destination, using the various transit system in the area.

Passio Go!, which will replace campus map bus option, will be provided to the campus soon.

The Flowbird app, which replaced the Whoosh! app, is operational and will be advertised to the campus soon. It will have more options in the future - like being able to determine the number of metered spaces available in each location.

A new bus has been ordered for the Arkansas Research and Technology Park shuttle.
