

UNIVERSITY OF ARKANSAS STUDENT PARKING OPTIONS

Option 1-Red Resident Reserved: Available only to students who live **ON CAMPUS**. These lots surround the dorms and are the most convenient. Apply through your University of Arkansas Housing contract by checking the box for Resident Reserve. If you are not sure you checked the box, go back to your housing contract to confirm. If you did not check the box and the housing portal will no longer allow you to do so, you may call them at 479-575-3951 to be placed on the wait list. The wait list goes by seniority. When placing freshmen, Housing refers to the date your housing contract was signed and the date of your pre-payment/deposit. You will remain on the wait list until an offer is received. **Cost-\$679.33**

Option 2-Garage Parking: This option is available to **ALL STUDENTS**. You may apply by going to <https://parking.uark.edu/> Go to "Permits" and select "Garage Application". Please submit a separate application for each garage you are interested in and make the garage you are applying for your first choice. You will remain on the wait list until an offer is received. **Cost-\$694.50**

- **Garland Avenue Parking Garage** – Near The Quads, Maple Hill, Reid, Hotz, Futrall, Holcomb and most Sororities.
- **Stadium Drive Parking Garage** – Near Walton Hall and most Fraternities. Attached to the Union. However, there is a **YEAR AND A HALF to TWO-YEAR WAIT** for this garage.
- **Harmon Avenue Parking Garage** – Near Yocum, Founders, Humphreys, Gladson-Ripley, Gibson, most fraternities, Walton Business School and Bell Engineering. However, these dorms are also close to Green Student Parking as a cheaper alternative.

ABOVE OPTIONS- OFFERS ARE NOT GUARANTEED. Beginning in July, Transit and Parking will begin working through the waiting lists. If we get to your name on the list, you will be notified by email, so it is important to check your University of Arkansas email account daily. The offer comes with an expiration date and if a reply is not received by that date, we will go to the next person on the list and you are returned to the wait list. If any student is not available to check his or her email, we recommend designating someone else to do that.

Option 3-Green Student Parking: Available to **ALL STUDENTS** and provides access to any green lot. Please visit <https://parking.uark.edu/parkmap.pdf> for a color-coded map. There is no wait list and permits are available year-round. Razorback Transit buses provide service to these lots every few minutes from 6:30 a.m. until 10:40 p.m. (They do not run on Sunday; and reduced service is provided on weekends, holidays and summer). Please visit <https://parking.uark.edu/transit-services/transit-operations/maps-and-schedules.php> for maps and schedules. Students can park their vehicle in a green lot and take a bus to any area of campus. The only disadvantage is that green lots must be vacated for major athletic events. Transit and Parking provides email reminders of when to move vehicles and information of other parking alternatives (Lot 99 is recommended). **The responsibility, however, is upon each student to follow the athletic calendar to know when and where to move his or her vehicle.** We strongly recommend keeping a copy of the athletic calendar close by and calling us with any questions. **Cost-\$104.79**

Option 4-Orange Remote Parking: This option is available to **ALL STUDENTS** and allows you to park in Lot 99, which is south of the main campus on Beechwood Avenue, in the area near Baum Walker Stadium. Lot 99 honors any UA parking permit, any time. In addition, no one is required to vacate Lot 99 as a result of athletic events. This parking is ideal for commuters, or for students who live on campus but don't plan to utilize their vehicle daily. Razorback Transit buses provide service to Lot 99 every few minutes from 6:30 a.m. until 10:40 p.m. (They do not run on Sunday; and reduced service is provided on weekends, holidays and summer). Please visit <https://parking.uark.edu/transit-services/transit-operations/maps-and-schedules.php> for maps and schedules. Please note that Lot 99 can be crowded during major athletic events, because during those times, many students relocate their vehicle there. **Cost-\$25.70**
